

Pregis EverTec™ Mailers

Presenting Pregis EverTec™ Mailers:

The durable, curbside recyclable ready-to-pack mailers that unlock the power of paper.

EverTec mailers are available in a variety of sizes and protection levels, providing e-commerce solutions that combine functionality with sustainability.

Whether you're looking to right-size your shipments or wanting to up your sustainability game, Pregis EverTec mailers are here to help you protect your products, profits and the planet.

Pregis delivers for customers, budgets and oh yeah, the planet.

- **Easy to recycle:** There will be no question of where or how these mailers should be recycled – they can go straight to the curb, eliminating consumer confusion
- **Product-appropriate protection levels:** Available in cushioned and non-cushioned varieties to suit your unique protection needs
- **Right-sized for shipping:** Variable sizes accommodate a wide range of items and fit more packages on every truck
- **Ease of manual packing:** Flexible yet rigid construction simplifies manual packing processes, driving increased throughput
- **Durable “everlasting” performance:** Constructed to provide protection against moisture and strenuous shipping environments
- **Beautiful branding:** Custom printing available to drive home the “WOW!” experience customers are looking for
- **Responsibly-sourced paper material:** Our ready-to-pack EverTec Mailers are eligible to bear the SFI® Certified Sourcing label to denote the responsible origins of the kraft paper used in their durable construction
- **Pregis Inspyre™ product:** 1% of the sales from the stock variety of the EverTec Mailer are donated to the Uzima Clean Water Mission as part of the 1% for the Planet initiative
