

# Pregis PolyMask<sup>®</sup>

## Temporary Protective Film Solutions for Paint and Spray Booths

Pregis PolyMask, a brand of Pregel, is a leading domestic manufacturer of temporary protective films, specialty coatings, and adhesive technologies.

Our SprayMask paint and spray booth solutions are strategically engineered to increase your throughput and optimize labor, providing significant cost savings in both material spend and labor hours. Pregel PolyMask's temporary films protect against overspray, dust and dirt, and are coated with a convenient adhesive backing to keep things firmly in place – while offering efficient removal.

### Features

- Competitive pricing offers immediate cost-saving opportunities
- Multi-layer structure and easy application/removal makes for quick clean up
- Non-slip design delivers a high level of safety
- Premium durability provides extended usage

### Industry-Leading Service & Support

**We stand by our products and our service.**

Our nationwide sales and support teams have one goal: ensure your complete satisfaction.

- Samples shipped within 48 hours
- Domestic manufacturing
- Stock can be provided through local distributor
- Nationwide sales and customer service teams
