

STIX *by* MICHELLE GERSON

When designing a collection with Michelle Gerson, we had a singular goal: express Michelle's distinct approach to design in a tile collection. Enter Game On, a bold return to basic shapes with just the right amount of the unexpected — a collection that is inherently Michelle Gerson. Game On features four joyfully geometric designs; Spot On, Slide, Zip, and Stix, each available as stocked mosaics in array of colorways, and fully customizable in a range of sizes that includes mosaic form and large format tile.
