TWO SOULS, ONE AMERICAN TRADITION

 **LANDMARK**
CERAMICS

“Natural” is a gathering of porcelain tile collections that are inspired by different natural stones. Amazing surfaces for floors and walls that recall the shades of the natural material enhancing architecture and design with character and intense elegance. The excellent technical characteristics of Landmark porcelain tile guarantees optimal performance in every intended use both residential and commercial.

A new **landmark** in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain material.

TWO SOULS, ONE AMERICAN TRADITION

Essence captures the spirit of natural slate, a sedimentary rock renowned for its aesthetics and importance in American architecture. The collection embodies two distinctive personalities, one featuring a tone-on-tone graphic and the other an enriched pattern, to design a total stone look for both indoor and outdoor applications.

The inspiration.

The double essence of slate stone: Refined and Vibrant.

Essence offers two distinct personalities that are suitable for any environment: Essence Refined, with a deep monochromatic color, and Essence Vibrant, that conveys a multicolored look.

Traditional material meets contemporary architecture.

Intense backgrounds crossed by tone-on-tone and contrasting shades bridge the gap between traditional materials and contemporary architecture.

The authenticity of nature, the power of porcelain.

Unparalleled beauty, rich texture, and distinctive appearance. Essence combines the qualities of natural slate with the superior performance of porcelain.

Natural appeal for superior performance.

Landmark's porcelain brings the natural slate texture to a new level of performance: durability, easy maintenance, and environmentally friendly all at one.

The project.

Porcelain tiles and grip tiles for architecture, interior and exterior design.

Porcelain tiles and grip tiles ensure superior technical properties providing continuity in look, from a dry to a wet area, outdoors as well as indoors.

Decorative mosaic shapes to boost design creativity.

Porcelain mosaics enhance Essence with a choice of colors, shapes, and textures to enrich spaces with a balance between architecture, personality, and elegance.

In&out continuity thanks to 20mm thickness porcelain pavers.

Matching 20 mm porcelain pavers from Frontier20 allow in & out transitions for a total look style.

Modern 3D surfaces for wall design.

A tridimensional combed porcelain veneer finish with linear surface scratches can be used over walls to decorate any space, bringing the skillful tradition of toolmaking into contemporary design.

The project.

REFINED

The refined soul: monochromatic appeal with unexpected touch.

Essence Refined dives into the world of slate with monochromatic color appearances, ranging from deep natural dark to solid white. Three of the colors are inspired by colors and shades commonly found in nature in the northeastern region of the United States. The white color was finally added to enrich the collection with a unique architectural touch.

Dreams of NY

The city never sleeps, and neither do we. In the heart of the city, the skyline is a constant reminder of the city's history and its future. The city is a place of dreams and aspirations, and it is a place where the impossible becomes possible. The city is a place of opportunity and growth, and it is a place where the future is being written. The city is a place of hope and optimism, and it is a place where the sun always shines. The city is a place of love and compassion, and it is a place where the heart is always open. The city is a place of beauty and grace, and it is a place where the soul is always at home. The city is a place of wonder and awe, and it is a place where the mind is always expanded. The city is a place of joy and happiness, and it is a place where the spirit is always lifted. The city is a place of peace and harmony, and it is a place where the world is always at peace. The city is a place of life and vitality, and it is a place where the future is always bright. SUSTAINABILITY

RECYCLABLE

Tile can be recycled inside the production process when not fired yet or, once they have finished their life-cycle, can be used as compact base material. On the contrary, many plastic base materials such as vinyl cannot.

SUSTAINABILITY

ECO-FRIENDLY AND SAFE

SUSTAINABILITY

ENERGY EFFICIENT

Tile's inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.

SUSTAINABILITY

FLOOR HEAT FRIENDLY

SUSTAINABILITY

VERY LONG SERVICE LIFE

Tile when properly installed and maintained can last for decades.

SUSTAINABILITY

COST SAVING OVER TIME

Thanks to its long service life and easy maintenance, porcelain tile is very cost effective over time when compared to flooring products that need to be replaced more frequently.

HEALTH

PREVENT BACTERIA GROWTH

Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

HEALTH

ZERO ALLERGENES

Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

HEALTH

ZERO SMOKE DEVELOPMENT

Tile never gives off toxic fumes, even when exposed to fire.

HEALTH

ZERO FORMALDEHYDE

Formaldehyde is known to lead to an increased incidence of asthma. Tile has zero formaldehyde.

HEALTH

ZERO PVC ZERO VOC

Tile is completely PVC and VOC (volatile organic compound) free that means a healthier home for you.

HEALTH

PLASTIC FREE

Tiles are free from any PBM (Plastic Base Material) materials used in vinyl and LVT.

HEALTH

NATURAL INGREDIENTS

Tile is made of clays and other naturally-occurring minerals and does not contain chemicals with potential adverse health effects (pvc, voc, formaldehyde, plastic etc...)

SAFETY/DURABILITY

SCRATCH AND DENT RESISTANT

Tile is strong, hard and resistant to most type of scratches. Tile also, being an extremely dense material, doesn't fear any denting damage, like many others flooring materials do.

SAFETY/DURABILITY

FADE AND UV RESISTANT

SAFETY/DURABILITY

RESISTANT TO ACID

SAFETY/DURABILITY

WATER PROOF

Tile is very compact and impervious therefore doesn't absorb. With tile you'll never have to worry about water.

SAFETY/DURABILITY

FIRE PROOF

Tile doesn't burn, melt or give off toxic fumes when exposed to fire.

SAFETY/DURABILITY

DOESN'T BEND

Tile is hard and compact.

SAFETY/DURABILITY

PET FRIENDLY

Tile is both dog and cat scratch proof.

SAFETY/DURABILITY

RESISTANT TO FROST

Tile is snow and ice proof.

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

♦ NOTE: 24" x 36" is sold as mix (24" x 36" + 12" x 24") along with 12" x 24". The two sizes are palletized on the same pallet and sold together.

RECOMMENDED USE

Essence Refined matt finish is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential applications. The use of Essence Refined matt finish is not recommended for outdoor floors (for that application use Grip finish or Frontier20). Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.
