The individual characteristics of our Belcrest Series sandmold pavers' appearance are a simple yet powerful asset to your paving design! Its look has remained popular for centuries, and the non-linear shape makes it possible to create smooth-looking curves.

3-5/8 x 2-1/4 x 7-5/8"
Modular Pavers

Belcrest Series Pavers comply with ASTM C902, Class SX, Type 1, Application PA.

Due to variations in printing, color and texture may vary from the actual product. Final selection should always be based on an existing product sample.
