

CALYPSO

Calypso blends stone dots in multiple sizes along elongated, ogee waves in a pattern that evokes effervescent bubbles ascending in a glass. Stocked in warm cream and cool blue colorways, both of which ombre from dark to light.

 The installation of intricate mosaic patterns may require the use of a mosaic nipper to hand cut pieces along the edge to fit, or conduct repairs throughout the installation.
 Align short ends together before pushing curved edges together. Center gaps along curved edges top and bottom.
