Care and Maintenance

Regular cleaning is the best way to keep Vine Street Wall Tile looking good for years to come. Clean tiles regularly with a PH neutral cleaner to prevent buildup of dirt, grease, and soap residue. After cleaning rise with clear water and wipe dry to prevent film. It is recommended that grout be sealed.

Please Note:

The color of products shown in this catalog may differ from the actual product. We highly recommend that you request a sample to see this product in your own space. Variation in color and tone can vary from tile to tile, so we also recommend immediately inspecting your product upon receiving it and select tiles from many boxes during installation to minimize and blend any possible color differences.
