Santorini Blue Porcelain Pavers

Gascogne Grey Porcelain Pavers

Our commitment to sourcing exceptional materials begins long before they arrive in our warehouse. The Savannah Stone Source team travels the globe, partnering with trusted quarries and manufacturers to uncover distinctive surfaces that reflect both timeless craftsmanship and forward-thinking design. Every product is carefully evaluated for quality, performance, and aesthetic appeal — ensuring that only the very best is brought to our clients.

The result is a curated collection that blends global inspiration with proven durability. Featured here, **Santorini**, **Gascogne**, and **Roman Travertine** represent the latest additions to our line — each offering a unique interpretation of natural beauty, thoughtfully selected to elevate both residential and commercial spaces.

Roman Travertine Porcelain Pavers

NEW IN 2026 Santorini is inspired by the stonework and coastal elegance of Greece, blending the character of limestone with the subtle movement of shell stone. Soft fossil-like details, gentle variation, and a refined matte finish create a calm, natural surface.

Offered in White, Light Grey, and Blue, the palette ranges from bright Mediterranean tones to deeper, dramatic hues for modern outdoor design. Crafted in porcelain, Santorini delivers the authentic look of natural stone with enhanced durability, slip resistance, and low maintenance—ideal for residential and commercial spaces.

Gascoigne Grey Porcelain Pavers

Gascoigne Ivory Porcelain Pavers

NEW IN 2026 Roman Travertine is inspired by an exceptional travertine: Bianco Sibillino, the whitest travertine in the world. It is an extremely rare, luminous, and sophisticated material, distinguished by its bright white background and delicate cream-colored striations —a truly unique presence in the world of travertines.

Roman Travertine porcelain faithfully recreates one of the world's most coveted natural stones with **31 unique faces** for an exceptionally authentic appearance.

Oyster Sand Porcelain Pavers

Old World Tabby Oyster Porcelain is a versatile surfacing material that can be installed on grass, sand, gravel, or mortar set over concrete base. Porcelain pavers are ideal for patios, porches, pool decks, and outdoor living areas.

Old World Tabby's neutral coastal colors pair well with grass joint applications, but also a variety of coping materials. In addition to our Old World Tabby copings, our collection pairs well with materials that complement the range of colors found in the oyster shell pattern. Consider travertine, marble, limestone, cast stone or natural stone.

Oyster White Porcelain Pavers

Oyster Grey Porcelain Pavers

Oyster White Porcelain Tile

Oyster Porcelain Tile brings our one-of-a-kind porcelain coastal look indoors offering a 3/8" thickness which is perfect for interior and vertical applications. These new tiles are also more economical than our 3/4" pavers and work well in transitional and outdoor living spaces.

Available in Oyster White or Coral Select, in matte and grip finishes, these tiles can be used in a variety of applications. The matte finish is easy to clean, perfect for backsplashes, fireplaces, bathrooms, and shower walls. The grip finish can be used outdoors and in high-traffic areas. The non-slip texture is suitable for patios, porches, and outdoor showers.

Oyster White Porcelain Pavers

Broadway at the Beach Myrtle Beach, SC

Savannah Stone Source's Old World Tabby Oyster White Porcelain Pavers were incorporated into Key West Village, part of the shopping & entertainment complex known as Broadway at the Beach. This commercial project utilized the coastal look of Old World Tabby and the durability of porcelain to handle heavy foot traffic from the 13 million visitors each year. Paired with traditional clay pavers for a classic, beachy style, these beautiful walkways will withstand weather and heavy traffic for years to come.

Oyster White Porcelain Pavers

Old World Tabby Porcelain Pavers are a timeless, coastal-inspired surface selected by **Canebrake Country Club** as part of their recent **amenity expansion**. With its softly weathered appearance and natural shell-like texture, this material delivers the classic charm of historic tabby finishes while maintaining a refined, upscale look ideal for high-traffic outdoor environments.

Sourced through Canebrake's distributor and fulfilled through **Savannah Stone Source**, Old World Tabby brings authentic Lowcountry character to modern resort-style spaces—perfect for pool decks, walkways, and gathering areas where durability and design matter most.

Oyster White Porcelain Pavers

Canebrake Country Club Hattiesburg, MS

Old World Tabby Coral Porcelain is everything you love about the look of natural coral, featured in 3 colors and 28 faces so the pattern almost never repeats. It is an ideal selection for pool decks, patios, and vertical elements.

INFORMATION ON OUR MATERIALS

Color – Natural Stone will vary with range in both color and movement. It is important to see multiple samples before ordering to approve color.

Sizes – All sizes quoted are nominal sizing

Maintenance – Some natural stone will have some iron content – this can cause some areas exposed to oxidize. Please ask your distributor to recommend a rust/stain remover. Sealers may or may not be needed – always use an appropriate sealer for natural stone and follow all instructions. Testing on a small piece first is always recommended.

Installation – Please refer to your distributor, installer, manufacturer for installation instructions.

We only offer our products through our distribution network. Please contact us for a distributor near you.

Please visit our website Resource tab for additional recommendations on basic installation, best practices, and product recommendations.
