

SLIDE *by* MICHELLE GERSON

When designing a collection with Michelle Gerson, we had a singular goal: express Michelle's distinct approach to design in a tile collection. Enter Game On, a bold return to basic shapes with just the right amount of the unexpected — a collection that is inherently Michelle Gerson. Game On features four joyfully geometric designs; Spot On, Slide, Zip, and Stix, each available as stocked mosaics in array of colorways, and fully customizable in a range of sizes that includes mosaic form and large format tile.

⁵Layout - dry laying of this product prior to installation is required for Slide Viola colorway. Massage joints when blending individual sheets.

Tech notes: Individual sheets of this mosaic are not square. Sheets are irregular and combine into a seamless interlocking pattern. Plan your layout accordingly. White mortar is recommended for natural stone. The installation of Slide Viola's intricate mosaic patterns may require the use of a mosaic nipper to hand cut pieces along the edge to fit or conduct adjustments throughout the installation. For straight cuts on a tile wet saw clear plastic face tape can be applied to keep the mosaic pieces aligned while cutting. Seal and utilize a grout release prior to grouting.
