Wheatfield

The Belden Brick Company's ADA Pavers' truncated domes provide maximum traction, offer guidance for wheelchair and pedestrian access to street walkways, and create textural contrast. ADA Pavers blend well with surrounding materials and have a through-the-body color that will not fade over time. Our reliable ADA Pavers meet the accessibility guidelines of the American Disabilities Act for Detectable Warning and Loading Ramp applications and comply with ASTM Standard C902.

4 x 2-1/4 x 8"
Standard ADA Domed Pavers

ADA Pavers comply with ASTM C902, Class SX, Type I, Application PX.

Due to variations in printing, color and texture may vary from the actual product. Final selection should always be based on an existing product sample.
