Shoreline™

Shoreline™

Shoreline Glass offers subtly transparent colors combined with ribbons of opaque glass and touches of metallic sparkle.

The collection's colors are inspired by the water, sand and fauna of the seashore, and are perfectly suited for backsplashes, baths and pools.

Variation Note		
<p>Variation in color, shade, size, minor edge irregularities (including occasional chipped sides/edges), and surface texture (such as fissures, folds, and bubbles) are common, natural characteristics of our handmade glass tiles and should be expected. These characteristics are the direct result of the artisan's interaction and craft with the glass medium, producing one-of-a-kind tiles intended to enhance the beauty and tone of the space.</p> <p>Samples and photos are representative but may not indicate all variations of our handcrafted glass tiles.</p>		
Maintenance		
<p>A routine cleaning of Shoreline tile can be done with a light duty non- abrasive, close to neutral pH detergent cleaner.</p>
