

# WOOD GRAIN FINISHES

Models 76, 78, 79, 80, 96, 98, 99, 100

## The New Classic

Elevate the appearance of your home with our New Wood Grain Doors! The Wood Grain options from Safe-Way offers homeowners high resolution woodgrain imaging digitally transferred to steel, creating the ultimate combination of beauty and durability. Available in both Regency and Ambient Series doors, and in a variety of panel styles, window options, and decorative hardware, the Wood Grain options are sure to improve the appearance and value of your home!

# Make a Statement

## Available Colors:

Safe-Way Door wood grain finishes feature scanned and digitally transferred imaging of real wood. Woodgrain patterns and colors are organized to have vertical and horizontal graining, offering homeowners the truest representation of wood available on a steel door.
