Envision

Designed for quick and easy setup, these versatile pieces are perfect for presentations, training sessions, and educational settings.

- 60W Folding Training Table is designed to be set up quickly and can be reconfigured at a moment's notice
- Durable 1-inch thick thermally fused laminate surface protects against scratches, stains, and other cosmetic damage and offers 2 wire management grommets on surface
- Sturdy metal base gives the work surface a weight capacity of 75 pounds to support a laptop, reference materials and more
- Built-in privacy panel makes the training table perfect for use in any open office or classroom
- Easy-to-use lever flips the top vertically, allowing multiple folding tables to nest together for convenient storage

Style: Contemporary

Work Surface: Thermally fused laminate

GSA Status: Not on GSA Contract
