MEET KATHLEEN FABIAN, DO

Dr. Kathleen Fabian is a board-certified obstetrician and gynecologist dedicated to providing comprehensive, evidence-based care for women throughout every stage of life. She partners closely with referring providers to ensure timely evaluation, coordinated treatment, and seamless continuity of care for patients requiring obstetric or gynecologic services.

Her clinical expertise includes preventive women's health, pregnancy care, menopause management, the diagnosis and treatment of gynecologic conditions, and minimally invasive and robotic-assisted gynecologic surgery.
