

MEET McLAREN ORTHOPEDIC CARE

We are proud to offer the most advanced joint and bone treatments and surgical procedures to help eliminate the pain caused by sports injuries or conditions such as osteoporosis or arthritis.

Specializing in musculoskeletal conditions, orthopedic surgeon Dr. Colleen Linehan offers comprehensive orthopedic care using the latest medical innovations for the treatment of bone and joint disorders. Patients are treated with extensive and highly-skilled care in a convenient and comfortable environment.

AREAS OF SPECIALTY:

- Shoulder surgeries, including anatomic and reverse total shoulder replacements, rotator cuff repairs and shoulder arthroscopy
- All knee injuries, including total knee replacements

OTHER EXTENSIVE EXPERIENCE:

- General orthopedic and trauma care
- Releasing carpal tunnel
- Achilles tendon ruptures
- Trigger fingers
- Lipoma/cyst removal
- De Quervain's tenosynovitis – a painful condition affecting the tendons on the thumb

WE WELCOME ALL REFERRALS

Fax referrals to (810) 600-7700, or send through Cerner. Please include the following information:

- Office visit notes (pertaining to the reason for referral, including all histories and medications)
- Current advanced imaging (within the last year) of to the affected area
- Current patient demographics
- Any prior authorizations needed
