## Features:

- 96 brightness with a brilliant true-white shade
- Excellent opacity for minimal show-through
- Smooth, uniform surface for better resolution
- Skids 23" x 29" and larger are press-ready skids with a maximum skid height of 45" to easily fit into most presses
- Digital sizes available in the Lynx Digital product line

## Environmental Characteristics:

- Forest Stewardship Council® (FSC®) certified by Preferred by Nature
- Sustainable Forestry Initiative® (SFI®) Certified Sourcing
- Made with Elemental Chlorine Free (ECF) virgin fiber content
- Available with post-consumer recycled fiber upon request
- Manufactured under alkaline (acid-free) conditions for increased longevity and performance

## Product Benefits:

- Value alternative to coated sheets
- Run consistently from job to job
- Superior color reproduction
- Ability to mix and match finishes within the Lynx brand

## Common Uses:

- Brochures
- Direct mail
- Annual reports
- Financial printing
- Books

## Electronic Imaging Guarantee:

All Lynx Opaque Ultra Smooth items, in mill-finished sizes, are guaranteed to perform on laser printers, desktop inkjet printers and copiers, as well as preprint offset applications (50 lb. and heavier). This guarantee is subject to the guidelines of the Original Equipment Manufacturer and the Domtar Electronic Imaging Guarantee.
