

Get started with your Cisco Board

Join a scheduled meeting

Choose how you want to join:

- Click the Webex Meetings icon and dial the meeting number
- Press the **Join** button on your calendar invite
- Say “Yes” if Webex Assistant has been enabled on your device

Make a call

- Tap **Call** on the home screen
- Type the video meeting address, person's name, or email address
- Select the right contact from the drop-down list
- Tap **Call**
- Tap **End Call** when you're finished

Create a whiteboard

- Tap **Whiteboard** on the home screen
- Use the stylus or your fingers to draw, pinch, and zoom on the whiteboard
- Tap **Share Live** to share your whiteboard in a meeting
- Tap the **Home** button to leave your whiteboard

Share your screen

- Select your board, then tap **Share Screen** at the bottom of the spaces list
- Select a specific application or share the whole screen
- Tap **Stop** to stop sharing

Clear the board

- Press and hold the **Home** button for three seconds to clear the board for the next person
