Call someone from a Webex Room device

Making a video call from your Webex Room device is a quick and convenient way to stay connected with your team.

- Tap the **Call** button on the Touch tablet
- Click on the **Search** or dial bar
- Use the on-screen keyboard to type the name of the person or device you want to call (if it’s listed in your directory) or else you can type the URI address of a device or meeting
- Once you’ve selected the name or device, or alternatively entered a URI address, tap the green **Call** button to connect
- When you’ve finished tap **End call**
