

HCH TrueChoice[®]

A Level-funded Health Plan

HCH TrueChoice is ideal for businesses with **15-250 enrolled employees** and is available in Texas, Oklahoma, and Louisiana. In these markets, we provide our high-performance network of physicians, specialists, and hospitals through Healthcare Highways, along with access to a broad network.

Things to know:

- No individual applications required
- Broad network access for out of state employees
- Third Party Administrator (TPA): Allied National, 90 Degree Benefits Company
- Pharmacy Benefit Manager (PBM): CerpassRx (No pharmacy chain restrictions)
- Underwritten level-funded rates

What we need to quote:

- 5-7 Business days
- Member-level census
- Plan designs or Summary of Benefits and Coverage (SBCs)
- Claims data, if available
- Current and renewal rates

Implementation and Account Management:

- An implementation specialist will be assigned to assist during on-boarding and completion of needed paperwork as soon as we receive a verbal commitment. Post-implementation, each customer will have a dedicated account manager at HCH to handle any service issues that may arise
- Access to a portal for employees, employers, and brokers with claims and customer service managed by Allied National (90 Degree Benefits)

For Brokers:

- Standard commission is \$35 PEPM, customizable upon request at the time of quoting
- Broker Bonus Program available
