TIPS TO CRUSH YOUR INTERVIEW

Ready to make a splash in your interview?
Use the checklist below for helpful tips and reminders before you dive into your interviews with the team.

INTERVIEW CHECKLIST

DO YOUR HOMEWORK
Research the background of the team, the business you are interviewing for and the interviewers.

REVIEW THE JOB POSTING
Save the job description to use it as your guide to help understand some of the key criteria of an ideal candidate.

PRESENT YOUR BEST SELF
Discuss your professional journey and how it can contribute to your success in the new role.

ANTICIPATE QUESTIONS
Be prepared to answer behavioral interview questions and practice using the STAR interview technique.

PREPARE QUESTIONS
Be curious! It's important to go into your interview with questions.

FOLLOW UP POST-INTERVIEW
Send a thank you note to each interviewer as soon as you can. Use this moment to reaffirm your interest and capability in the role. Ensure that you check your spelling and grammar.

CHECK THE CANDIDATE HUB
Check on your application on DisneyCareers.com to see where you are in the interview process.

ADDITIONAL INFORMATION

- Our dress code is business casual.
- Let us know if you require any accommodations for your interview.
- If meeting virtually, make sure your internet connection is stable and check out Zoom FAQs.
- If you are coming onsite, plan for traffic delays and parking for on-time arrival.
- Time zone sensitivity – not all interviewers may be in your time zone, so be conscious of your greeting.
