Hi {profile.preferred_name},

Your generous donation is currently being processed. Please note that the amount being deducted for this payroll period is greater than the amount you gave.

Your original donation amount: CA\$10.00

Excess amount committed to your Giving Account: CA\$5.00

There can be a few reasons for the amounts being different. It can vary depending on funds available in your payroll account, amounts committed from one payroll to the next, or even the payroll date itself. If you would like to know the specific reason for your new donation amount being more than your original donation, please contact your program administrator.

Thanks,
Spark {Program Name}
