Hi {profile.preferred_name},

Your generous donation is currently being processed. Please note that the amount being deducted for this payroll period is less than the amount you have given.

Your original donation amount: \$10.00

New donation amount: \$5.00

NOTE: If multiple donations are being processed in this pay period, equal adjustments have been made to each one.

There can be a few reasons for the amounts being different. It can vary depending on the funds available in your payroll account, amounts committed from one payroll to the next or even the payroll date itself. If you would like to know the specific reason for your new donation amount being less than your original donation, please contact your program administrator.

Thanks,
Spark {Program Name}
